1 The Rose Masque

- Hooks:**
- Flyers for the Rose Masque are a common sight throughout Glasspeak. The brothel and theatre has developed a reputation for having the most skilled courtesans, the most life-like feats of mystery, and truly virtuosic stageplays.
 - The roving troupe of performers known as the Cock's Crow, who perform slapstick and circus acts across the icewater headlands, have vowed never to return to Hale's Landing, as one of their number never returned from a visit to the Rose Masque.

NPCs: Mistress Elanine and Maestro Hercule The mistress of the brothel and the maestro of the theatre are, in reality, a pair of succubi/incubi come to Hale's Landing to revel, and to escape the ongoing chaos in the Nine Hells.

Locations:

- Seaside (Glasspeak, Hale's Landing)
